Discussion Points:

1. Freshers Week
2. Feedback Forms
3. Lounge
4. Millie

Discussed:

1. Freshers week

- Irrelevant

2. Feedback Forms

- Keep more plastic sessions
- Polo training to be more structured
- Not doing white water racing
- Sprint kayaking - Aidan will speak to the city club
- Good to do more surf trips but need to think about how bad sea water is for gear
- When there's no rain doing more things like rounders, sea swims, Diggerland trips (frame as bonus sober social vibe and only offer as long as there's an opportunity to go kayaking on the same weekend (club boasts they offer a kayaking trip every weekend))
- Matty will do an intro to white water session in beginning of term (both dry session and on the water)
- Send all fresh down flooded weirs so they die and can't get refunds
- BREAK: everyone watches 'Boater, Beater, Bitch'

3. Lounge

- Socials, Pool, Polo sessions will be put as a post in the feed with the FIXR links

- With bigger things eg SWUPL, big trips (Bude, South Wales) the sign up will go in the feed, once it is decided who is on the trip an event will be made in Lounge

4. Millie

- Get Fucked for Fitz
 - Only constraint is parking
 - Staying in people's houses
 - 18th November (SWUPL day)

Next Meeting Date:

3rd October 7-9pm

Snack Rota: Ollie and Aidan
